Dear Friend,

The attached letter addressed to the Obama Administration, by way of Attorney General Eric Holder, is on behalf of the Grant Family and their more than 30 year struggle with USDA to get justice for discrimination suffered as Black family farmers. We would appreciate your signing this letter or creating one of your own and sending it to Eric Holder, U.S. Attorney General, a copy to the Grants' Senator Kay Hagan (D-NC), and if you feel it might help, a copy to your Senator. This situation with the Grants has gone on way too long and they feel that now is their best, **and possibly last**, chance to receive some kind of a just settlement.

Honorable Attorney General Eric Holder  
U.S. Department of Justice  
950 Pennsylvania Avenue, NW  
Washington, DC 20530-0001

Honorable Kay Hagan  
521 Dirksen Senate Office Bldg  
United States Senate  
Washington, DC 20510
